

ESPACE CHAMPERRET

un site  VIPARIS

Logistics zone – access and operation

The logistics zone is for exhibitors' LGVs. Vehicles may not measure more than 2.35 metres high and 5.2 metres long.

Access to the logistics zone:

- From the 'outer' ring road heading south, take the 'Porte de Champerret' exit
- From the inner ring road, exit at Porte d'Asnières, then get onto the ring road going in the opposite direction and take the exit 'Porte de Champerret'

1 Online registration

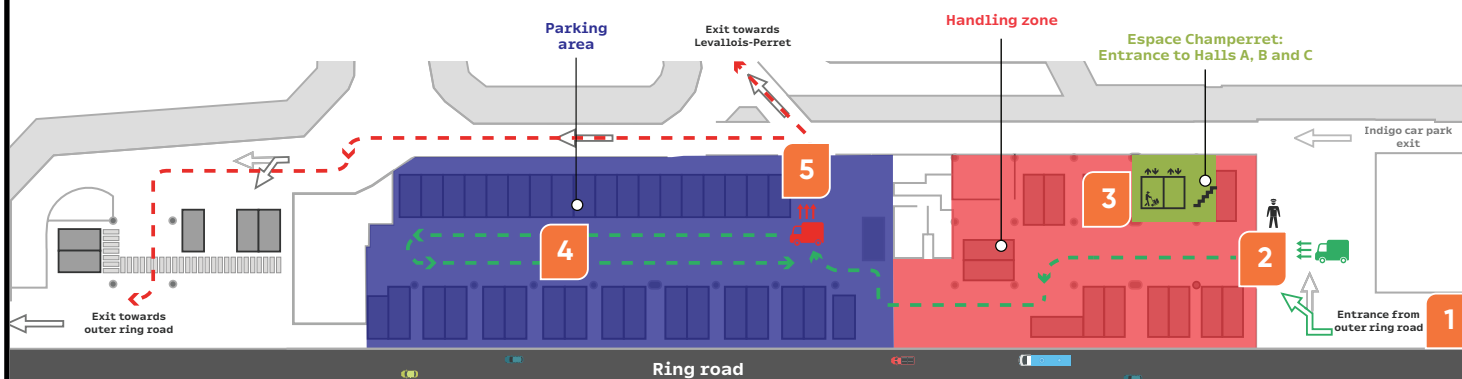

Prior to arrival at the venue, each exhibitor must register online and do one of the following:

- Reserve a free, one-hour time slot for setup and dismantling at www.logipass.viparis.com.
- Or purchase a parking space at the fixed daily rate of €45 exc. VAT. Parking spaces during the opening period can only be purchased online at www.viparistore.com. The access ticket will be available in the exhibitor's space on the viparistore website.

2 Reception

During the setup and dismantling phases, each exhibitor is greeted by a logistics staff member, who is responsible for directing traffic and ensuring the smooth operation of the loading dock.

3 Setup dismantling

Exhibitors who have booked a time slot at <https://logipass.viparis.com> prior to their arrival can use one of the loading/unloading spaces in the handling zone free of charge, shown in red on the above map, for up to one hour. From there, they can access the Espace Champerret via two 3-ton goods lifts.

4 Parking

During the event, exhibitors have the possibility of reserving a parking space via viparistore and parking their vehicle in one of the dedicated spaces in the parking zone, shown in blue on the above map. Spaces must be booked and paid for prior to exhibitors' arrival at the venue. The day pass is only available online at: www.viparistore.com.

5 Exit check

Exhibitors who have exceeded their one-hour time slot must pay for any overtime.
