HÔTEL SALOMON DE ROTHSCHILD  
**PICTURESQUE AND PRESTIGIOUS**

---

*If the history of Paris is full of charm,  
the Hôtel Salomon de Rothschild is its embodiment*

Marked by its Haussmannian architecture, this 19th-century residence is much more than a mere relic of the past - it is a witness to an era when art, culture and society mingled in harmonious ballet. Baroness Adèle, as the former mistress of the house was known, mastered the art of entertaining and delighting her guests. Now listed as *Monuments Historiques*, its walls perpetuate this tradition of excellence and host a multitude of prestigious events.

## HÔTEL SALOMON DE ROTHSCHILD

Set in a green setting, this private mansion comprises three hushed, grandiose floors that skilfully combine the architecture of the past with contemporary comfort.

Its vast salons are filled with the murmurs of visitors over the centuries. The majestic fireplaces are the imprint of lively stories and convivial exchanges around the fire. Behind each wood-panelled door, a space is revealed, ideal for upscale receptions of any scale.
