

The place where extraordinary events happen

# WELCOME TO A SPACE WHERE THE ONLY LIMITS IS YOUR IMAGINATION

Imagined by **the finest French architects** for the greatest national and international events, Paris Convention Centre is a **space open to all configurations** thanks to its complementary areas: exhibition halls, flexible conference rooms, meeting rooms, restaurants, an event space, a green terrace, and parking.

Daylight bathes these unique aerial spaces in the world, offering an unobstructed view over the entire exbition centre at its feet and revealing the Eiffel Tower, the quintessential symbol of Paris, the global capital of business travel.

# Experience Paris's culture, gastronomy and dynamism

The world's top city destination for business tourism

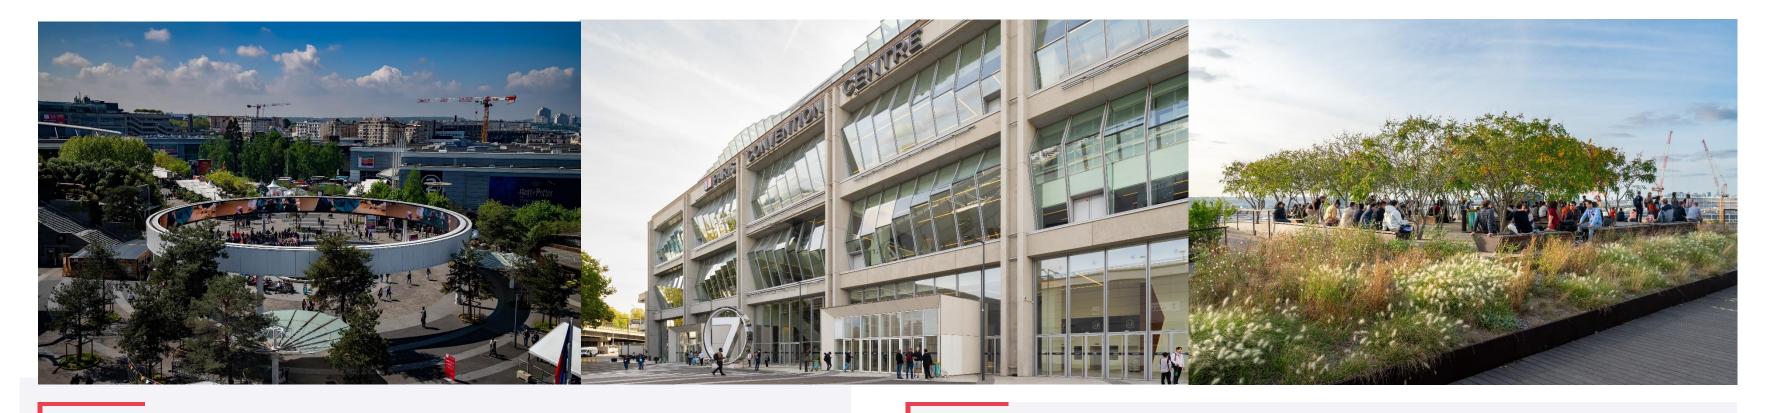

In the immediate vicinity of Paris Convention Center, you'll find the Louvre, the Musée d'Orsay and the Pompidou Centre, as well as the Eiffel Tower, the Champs-Elysées, the Place de la Concorde.

#### **Paris Convention Centre**

#### A RESOLUTELY CONTEMPORARY AND SUSTAINABLE ARCHITECTURE

- The renovation project of Paris Expo Porte de Versailles, within which Paris Convention Centre is located, is part of a modern architectural movement. It adopts a minimalist approach, raw materials, and a simple and uncluttered treatment.
- The architectural firm of Valode et Pistre in charge of modernising Pavilion 7, where Paris Convention Centre is located, have foregrounded the concept of movement: undulating glass surfaces create vast openings and provide a magnificent view of Paris.

- This exceptional setting serves as a backdrop for quality events and caters to the well-being of visitors.
- Viparis was the first events management firm to have earned ISO 20121 certification (the highest international accreditation for sustainable events management) for a large-scale site. Our Corporate Social Responsibility commitments are very much in evidence at Paris Convention Centre, which is BREEAM and HQE (High Quality Environmental) certified.

# Congresses, conferences & exhibitions

**EVERY EVENT IS UNIQUE** 

The different levels are connected by a bright atrium, as well as by 4 blocks of escalators strategically located so that all areas are easily accessible, thus reducing movement.

Without any fixed partitions, Paris Convention Centre is a space where anything becomes possible. Thanks to its **soundproof movable partitions**, each event is tailored to its needs, and **every room is perfectly isolated**.
